Technical drawing of a road layout showing a curve and a straight section. The drawing includes a north arrow, dimensions, and elevation points. The curve is labeled "fagyálló mészkőb." and the straight section is labeled "új szórt burkolat". Elevation points are marked along the road centerline and edges.

Key features and dimensions:

- North Arrow:** Located at the top left, pointing towards the upper right.
- Dimensions:**
 - Horizontal distance from the start of the curve to the end of the straight section: 12.00.
 - Horizontal distance from the start of the curve to the first elevation point: 6.00.
 - Horizontal distance from the first elevation point to the second: 3.00.
 - Horizontal distance from the second elevation point to the third: 3.00.
 - Horizontal distance from the third elevation point to the fourth: 5.00.
 - Horizontal distance from the fourth elevation point to the fifth: 3.00.
 - Horizontal distance from the fifth elevation point to the sixth: 2.00.
 - Horizontal distance from the sixth elevation point to the seventh: 3.00.
 - Horizontal distance from the seventh elevation point to the eighth: 3.00.
 - Horizontal distance from the eighth elevation point to the ninth: 2.00.
